

## ANBI registration

## **Name of the organization**

Focus on Vision Foundation

## **Registration**

The foundation has been formally registered with the Chamber of Commerce at Eindhoven, the Netherlands, registration number 17162675

## **Contact details**

Luchthavenweg 10  
5657 EB Eindhoven  
The Netherlands

Telephone number: +31 (0)40 258 1600

Email address: [info@focus-on-vision.org](mailto:info@focus-on-vision.org)

## **Objective**

1. To develop techniques for the realization and facilitation of the worldwide distribution of universal optical aids;
2. To develop and improve industrial and logistical processes relating to universal optical aids;
3. To propagate and promote all initiatives with regard to the development and realization of universal optical aids;
4. To support scientific, strategic and industrial research projects relating to universal optical aids;
5. To perform all further acts relating to the foregoing or that may be conducive thereto in the broadest sense of the word.

## **Outline current policy plan**

Focus on Vision's adjustable spectacles are distributed to doctors, optometrists, opticians, institutionalized foundations who have adopted charity programs and through special projects initiated by the foundation itself concentrating on the distribution to low income people living in rural areas where not basic eye care service is available. Funds are raised from interested individuals, capital trusts, service clubs, foundations related to the subject and public at large.

## **Composition of the board and remuneration policy**

Dr. Gerard Smith, ophthalmologist, Chairman;  
Mr. Jan in 't Veld, co-founder, Vice Chairman and Secretary;  
Mr. Rob Neijssen, treasurer;  
Mr. Frederik van Asbeck M.Sc., co-founder, member.

None of the board members receive remuneration for their activities.
