As of 01 January the Tax and Customs Administration classifies your institution as an Entity with General Benefit Objectives (*Dutch: Algemeen Nul Beogende Instelling (ANBI)*).

You have submitted your application for Entity with General Benefit Objectives. On the basis of the information you have provided, it appears that the Tax and Customs Administration classifies your institution as an ecclesiastical, ideological, charitable, cultural, scientific institution or entity with general benefit objectives.

Objections

If you do not agree with this decision, you can submit your objection within six weeks to the address stated below. Your objection will be considered on time when it has been delivered by mail within six weeks and received by the Tax and Customs Administration no later than one week after the end of that period. Always state the reason for your objection and the tax reference number that has been printed on the top of this decision.

The classification applies for an indefinite period, but the Tax and Customs Administration may check whether your institution (still) complies with the relevant conditions. For that purpose, you will receive a return for Entity with General Benefit Objectives. You must always complete this and return it to the Tax and Customs Administration.
